WHAT CAN YOU DO TO ENSURE THAT YOUR CHILD IS NOT NEGLECTED?

Urie Bronfenbrenner, the famous Developmental Psychologist, said:

In order to develop normally, a child requires progressively more complex joint activity with one or more adults who have an irrational, emotional relationship with a child. Somebody has got to be crazy about that kid. That is number one. First, last and always.

Think about what this quote means and discuss it with your worker.

Elements to consider:

- Lack of interaction
- Food
- Adequate clothing
- Adequate supervision
- Medical neglect

Notes:
